

**ViCTOR bedside folder: Fits documents in A4 back and front portrait and A3 back and front landscape**

A4 clip board for request slips and non hole punched paperwork

0.6mm thick reusable and durable polypropylene dividers x 6

Bigger and stronger Magnetic clip

Stores as A4 folder size

Folds out to A3

Strong material throughout decreases splitting issues

Allows for more room  
than previous folder

Comes in many  
colours and therefore  
can be coded to bed  
number/bed card or  
treating team.

Optional strong adhesive plastic pocket (business card size) to identify the patient folder

Meets infection control principles as plastic overlay removed.

Can be internally and externally cleaned after every patient

*\$13.80 + GST per folder.*

*Optional extras  
additional*

Is great for housing other charts e.g. medication
